Augustine Guinoiseau—(White La France.) Another distinct sport from La France, identical in habit, form, and vigor, but in color it is a delicate blush at the center, growing lighter and lighter until along the edges it is almost pure white.

Baronne Berge—A fine grower; flower medium to large; double; color bright rose, with center of yellow.

Bon Silene—This splendid old variety still holds its own against many of the new sorts. Noted for its buds; color rosy carmine, shaded salmon; sweet and beautiful.

Bridesmaid—A fine, clear, dark pink, the counterpart of Catherine Mermet in every particular, except that it is deeper in color.

✓ **Burbank**—A free-flowering, ever-blooming Rose raised by Mr. Luther Burbank, known the world over as the "Wizard of Horticulture." The only Rose which he was willing should bear his name. Color deep pink.

✓ **Bride**—White, with delicate flesh on outer petals; very beautiful in bud or open flowers; blooms profusely.

✓ **Bongere**—Fine old sort; color bright La France pink; never blights; always covered with perfect flowers. Try it.

✓ **Clothilde Soupert**—Medium size; full, round flowers, beautiful pinkish-amber or cream, delicately flushed with silver-rose.

✓ **Catherine Mermet**—Bright flesh color; full and finely formed; decidedly one of the finest Teas.
